Dear Santa

"Dear Santa Claus:

It is near the Holy Days of Christmas and I pray that you will remember me on His Day. If you have them I would like for you to bring me a sweater, a toothbrush, a hair brush and comb, and some shampoo.

Thank you for remembering me. I will be happy if you can bring me any one of these things. I will pray for you in the name of the Infant Jesus.

Opelia Ramiez Olquin, age 14
House of the Good Shepherd
Av. Madero 1527
Mexicali, Baja Calif."

This is one of several letters we have from little girls at the Catholic orphanage in Mexicali. The 150 girls who live there, ranging from two to 18 years of age, have come to depend on newsmen of San Diego County for Christmas gifts, as well as their day-by-day needs.

Other than at Christmas, they are supplied with hand-me-downs. But at Christmas, the gifts are new. It is, indeed, the only things new these girls ever receive.

Last month when this column told of the newsmen's annual project, a score of people insisted that they be included as contributors. Many generous people were turned away until the requests became so numerous that we accepted gifts and money from the last few.

Dr. and Mrs. Van Zele, Dick and Joan Van Zele, Meyer Zung, Bill Moore, Dr. Amorita Treganza and others insisted that we accept their contributions.

There is presently a half dozen or so letters available that are similar to the one listed above from girls of the orphange who need things. The letters are hand-written in English. Nuns at the convent translate into English on the classroom blackboard and the girls laboriously copy it. The letters, in addition to listing their Christmas needs, also lists the age, weight, height, waist, chest, and shoe size of the girl who writes the letter.

There is an interesting comparison between the letters to Santa Claus from these girls and the letters to him from children in the United States. (See "Dear Santa" column elsewhere in this issue) Under our affluent society youngsters ask toys and games, some of which cost as much as $35. At the House of the Good Shepherd a toothbrush and a comb are considered a welcome Christmas gift from Santa.

Newsmen will journey to Mexicali December 14 and take with them hundreds of sheets (this year's newsmens' project) and enough glass to seal up all the windows (temperature ranges to 20 degrees during the winter) and other material already gathered, to make the orphanage more habitable.

Several "Dear Santa" letters will be available at the office of this newspaper on a first come, first serve basis for anyone who wishes to celebrate his Christmas in this fashion. The gift-giver may either mail the box directly to the child or get it to this office by evening December 13 and it will be added to the rest of the stuff. Be sure to include your name and address so that the girls, grateful little things, may write after Christmas, warm, appreciative letters. They usually are, too.

The donor, having established contact with the little orphan, may want to visit the orphanage some time during the summer. This, too, is a heart-warming experience.

The project is called "Operation Orphan" by Sigma Delta Chi, the San Diego Chapter of the National Journalistic Society, which sponsors it. SDX will be grateful for the help of anyone. So will the 150 girls at the House of the Good Shepherd.

Two Helix Students Expelled for Drugs

Trustees of the Grossmont High School District put into action their expanded drug crackdown policy last Monday as they voted to expel a pair of Helix High students for the possession of marijuana.

Marijuana was found in the locker of one of the two youths, while the other was arrested off campus. The trustees had recently added off-campus jurisdiction to their tightening drug policy.

While the governing body was expelling two boys, it also was reinstating a third, as a student expelled six months ago for the passing of information concerning drugs, was given permission to enroll again in a district high school.

Grove Man is Winner

General insurance agent Guy V. Neagle, Jr., of 1610 Woodrow, Lemon Grove, was among the leaders in Pacific National Life Assurance Company's recent sales campaign.

The contest, "Project: Picture Perfect," featured a Space Age theme and photographic equipment as prizes. Neagle was the fourth prize winner in the paid volume category.

Neagle joined PNL in 1953. His agency has consistently ranked among the top ten in the company.

H. C. Stubbs Appointed Grove Head in January Dimes Drive

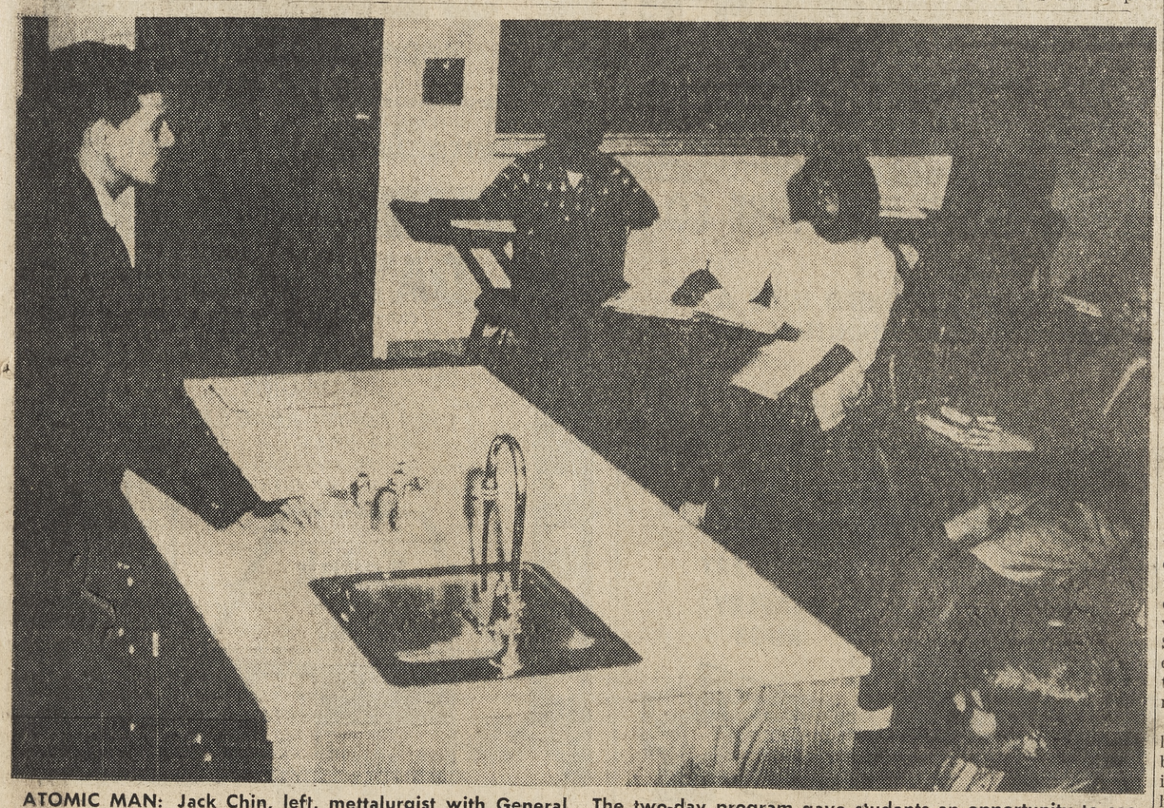
"The birthright of every American child is to enter the world in perfect health, but every year this right is denied to more than 250,000 of our children because they're born with defects," said H. C. Stubbs, who has been appointed Lemon Grove chairman of the March of Dimes 30th anniversary drive.

"We wish every child could have 'a sound mind in a sound body' but unfortunately, this is not yet possible. We can, however, try to make available to birth defect children the finest medical treatment in the land," said Stubbs, who resides at 6800 Mallard st.

Children with serious birth defects frequently require the skills of a number of different medical specialists working together. This team approach is practiced in each of nearly 100 March of Dimes—supported Birth Defects Centers where the total care of a child is coordinated under the direction of a single physician.

"Treating a birth defect child can be costly to a community," said Stubbs, who is also a member of Lemon Grove VFW Post 2082. "An estimated 1,375,000 American children under the age of six are birth defect victims who need our help."

The March of Dimes drive is conducted in January.



ATOMIC MAN: Jack Chin, left, mettalurgist with General Atomic, speaks on the current research of his company to science students at Palm Junior High in Lemon Grove last week. The following day, Howard Schlessinger, also of General Atomic, told the class of the ways in which atomic research aids law enforcement.

The two-day program gave students an opportunity to see how their present studies can have practical applications in their future training and adult life.
Jack Snavely, science teacher at the school, will attend a three-day conference at Berkeley.

"Notification has been received that the aqueducts serving San Diego County Water Agencies are scheduled for a temporary shut-down from December 7 through December 16. A minimum amount of water from other local sources combined with the District's storage within its system will provide for essential domestic and fire protection use during the shut-down period.

Storm Total .23"

Another element of a continuing rainstorm movement dribbled into this area Saturday and Sunday — and forecasters say the storm is not yet spent.

The latest storm brought .23 inches of rain Saturday and Sunday for a rain season total of 4.56 inches.

Rain year starts July 1. Rain days end at 4 p.m.

Actually, both buildings will be open Thursday but only a limited scale of services will be available until Friday in the new facility.

Christmas Is a Giving Experience!

In a world whose major philosophy seems to be "getting to live," it is refreshing to approach a season which places an emphasis on "GIVING" to live."

At this time of year the air is electrified with "peace on earth, good will toward men." Our hearts vibrate with a closer walk with all humanity. We criticize less, and love more. Giving becomes more of a joy, than receiving. The Golden Rule becomes more a part of our Soul than just memorized lines.

It is significant that the first Christmas gift was not "to a life," but "of a life." God expressed His love for the world He created by "giving His Son" to give us His way of life — and the dawn of a new age was ushered in with the birth of Christ. His message gave birth to a new philosophy of life which was, indeed, destined to end an era of chaos.

Giving and love go hand in hand. Because of love, Jesus gave Himself for us. Hence, we cannot do less than give of ourselves when we seek to express our love and gratitude to God and to others.

To catch this spirit in our hearts is to face the most marvelous Christmas ever. One never really lives until he stops trying to save himself and begins losing himself to something BIGGER than he is. It is a law of spiritual compensation that if 'we give to the world the best that we have, the best will come back to us," and often in greater abundance.

Knowing that the greatest good comes from helping others, giving you this food for thought — instead of successful case histories — gives me great joy as I know it did to Dr. James W. Parker, who gave it to me and taught me how to use it every day in our busy office.

We cherish for each reader along with our many friends and patients the exhilarating experience of "giving himself away." You have something wonderful to give that someone else needs. Discover for yourself this Christmas that it is "far better to give than to receive."

May this Christmas principle give you the true spirit of Christmas. May the joy of giving be reflected in God's richest blessing of health and happiness for you and all your loved ones, and may this Golden Rule and its teachings bring you and yours a Golden New Year of propperity.

Meanwhile, if you are suffering, be good to yourself, give yourself a chance to get well. Investigate! What can you lose except your ill health?

FORGET WHAT YOU HAVE HEARD OR READ ABOUT REDUCING!

Investigate the modern Gyroducing method and learn how it can give you a lovely figure. Gyroducing is the technique for reducing body measurements under our scientically proven Reducing Plan. The Gyroducing Units used in this plan are **tailored to adjust to any and all parts of the body.**

The advantage of GYRODUCING is that you feel comfortably RELAXED while REDUCING.

IT IS A JOY NOT A JOB— WITH GYRODUCING.

LAURIE TRENTACOSTA

Gyroducing Equipment gives you the ultimate in reducing. It is smooth, relaxing, soothing for that feeling of relief of nerve and muscle tension — so important to the way you Feel, Look and Act.

When taking a Gyroducing Treatment, hundreds of soothing, pleasant waves (actions of vibration) are felt gently surging through the body. ELECTRICITY NEVER TOUCHES THE BODY. There are no wet pads, no violent exercise, no pills, no startvation diets, no jerky tables, no aching back or sore muscles after treatment and no contracts to sign. GYRODUCING IS DIFFERENT FROM ALL OTHER METHODS OR SYSTEMS.

When one sits or lies on a Gyro-Lator Unit there is no unpleasant sensation, just a feeling of luxurious comfort and relaxation. No strenuous, depleting or fad dieting is ever recommended. Your figure may be a problem to you but not to us. LET us solve it for you the scientific way. The personal attention we give to every figure problem with our **HAND GYRODUCING UNITS DISTINGUISHES OUR SERVICE FROM OTHER SO-CALLED SPOT REDUCING METHODS. THIS IS AN EFFECTIVE METHOD TO AID IN ELIMINATING BULGES FROM PLACES ONE WANTS THEM REMOVED.** We offer complete, effective attention to individual problems. No mechanical exercise table, bicycle, rowers, rollers, jerky tables, physical exercises, drugs or laxatives, etc. are recommended.

If you areinterested in Reducing call us for an appointment. We will give you a complete complimentary treatment to suit your individual requirements. There is **no disrobing, no fuss, no muss, no bother.** GYRODUCING is especially designed for the woman who wants to look, feel and act her best, We could write a good sized book telling about the many advantages of our advanced GYRODUCING but in our experience, we have found very few people want an education, they want Results, which GYRODUCING gives. Results that Patrons see and feel.

Rec. District Eyed for L.G.

SAN DIEGO (CNA — Interest in the formation of a parks and recreation district for Lemon Grove has been expressed in a letter to the Local Agency Formation Commission from Jack Saucier, of 1631 Woodrow, Monterey Heights.

Saucier said his group is concerned about the lack of summer activities for children in the area.

The commission authorized Robert Small, executive officer, to reply to Saucier outlining the methods by which a district can be formed.

Teenagers March Sun.

An army of dedicated teenagers will invade the San Diego Metropolitan area on Sunday, under the leadership of Generals Mike Grisham, 16, and Tom Sherry, 17. The enemy — catastrophic diseases of children.

The marchers will solicit funds for the St. Jude Children's Research Hospital Fund drive.

CONCERT COMMITTEE: Members of the Women's Committee of the Grossmont Community Concert Association display some of the Christmas items which will be featured at the group's "My Treasure Sale" slated tomorrow at Porter Hall, 8450 La Mesa blvd., from 10:30 a.m. to 5 p.m. From left to right, local workers on the project are: Mrs. C. J. Genis, Chairman of the Lemon Grove sector of the group; Mrs. Eugene Gilbert, a helper from the Spring Valley area; and Mrs. Joseph Del Nero, jr., president of the committee.

Auto Parts Removed

Auto wheel covers and hub caps valued at $50 were removed from the car of Ronald Beauloye, 7992 Palm ave., Lemon Grove last week. The car was parked in the driveway of his home.

There has been a lighthouse at Cohassett, Mass. since 1850.

Fishing Gear Stolen

The San Diego County Sheriffs Department received a report of the theft of $85 in fishing equipment from the apartment of William Millhollan, 3050 Main st., Lemon Grove. The suspect, apparently, entered an unlocked front door.

MAIL BAG

Dear Editor:

I have been getting your newspaper off and on over here, but my folks have moved to Sacramento and it is getting hard for them to get it to me.

I'm glad to say that I'm not the only one that reads it.

There is a Spring Valley boy here with me — Mike Yacko — and we have been together for the last 16 months, eight in the states and eight in Vietnam.

I would greatly appreciate if you would send Mike and I he newspaper weekly, so we can keep up to date on all the news that is going on around there. We are with the engineering detachment at a place called Ving Tan. Our job is to help make better homes for the people and show them the way we live in the states.

Thank you very much,

Sp/4 Earnest R. Block
